December 2024

** High Growth as categories by Beauhurst tracking triggers

wmhtia

The Sector compared to others

	Businesses in region	High-growth businesses in region**
HealthTech & MedTech	266	87
BPFS	41,331	1,045
Creative	12,778	206
Logistics	2,105	317

Data gathered by Beauhurst Team
December 2024

** High Growth as categories by Beauhurst tracking triggers

Kickstart Building the Pipeline

An early stage incubator to turn concepts & ideas into real opportunities and actionable plans whilst also creating opportunities for innovations in other sectors to 'pivot-in' to the health sector.

We want to create a healthy pipeline of strong, innovative & feasible startups with the ability to scale that can then be fed into the ecosystem.

Key Objectives:

1. Supporting Concept Formation
2. Developing Entrepreneurs
3. Signposting & Referral
